

# RED WINE BA CAPRA FLORA

## RED WINE BARREL-AGED MAIBOCK

Aged in American white oak red wine barrels, this Maibock is a pale, strong German-style lager with pronounced malt and hop flavor, with pronounced barrel character. This traditional lager is assertively hopped with Hallertau Mittelfruh imported from Germany. Delicate floral and spicy hops balance the breadly Pilsner and Vienna malts, with the alcohol strength hidden by a clean, cold lager fermentation.
