

# LORDY LORDY

## HAZY IPA

Big, soft body and haze comes from a grist packed with Oats and Wheat, while a trio of all-stars - Idaho 7, Sultana, and Mosaic - are double dry-hopped to produce aromas and flavors of orange, tangerine, dark berries, and a subtle dankness. This beer started its life as a one-off brew for a special occasion, and quickly found its way into our permanent lineup.
