

MONUMENTAL

DOUBLE IPA

Big, bold, and fresh, Sculpture Milwaukee Monumental IPA is the latest collaboration with the Beer Endowment. Artist Nat Pyper's can design brings this 8.8% double IPA into *Actual Fractals, Act II*, this year's iteration of Sculpture Milwaukee's annual public art exhibition. Sculpture Milwaukee Executive Director and artist John Riepenhoff founded the Beer Endowment 10 years ago to promote and support artist-run organizations by producing beers that share qualities with their namesakes.

Please join us in hosting art in our city by carrying Sculpture Milwaukee Monumental IPA at your venue.
